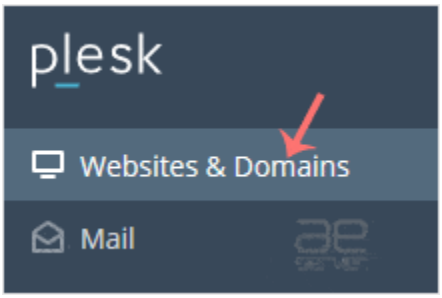
How to Update the Email Address of a Scheduled Task in Plesk

Plesk Control Panel · https://www.aeserver.com/support/how-to-update-the-email-address-of-a-scheduled-task-in-plesk/

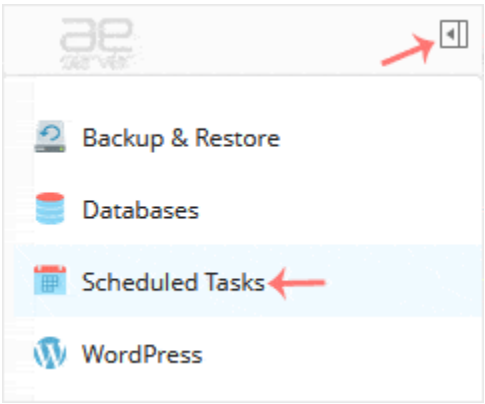
Follow this tutorial to update the email address of Scheduled Tasks (Cron Jobs) in Plesk.

1. Log in to your Plesk account.

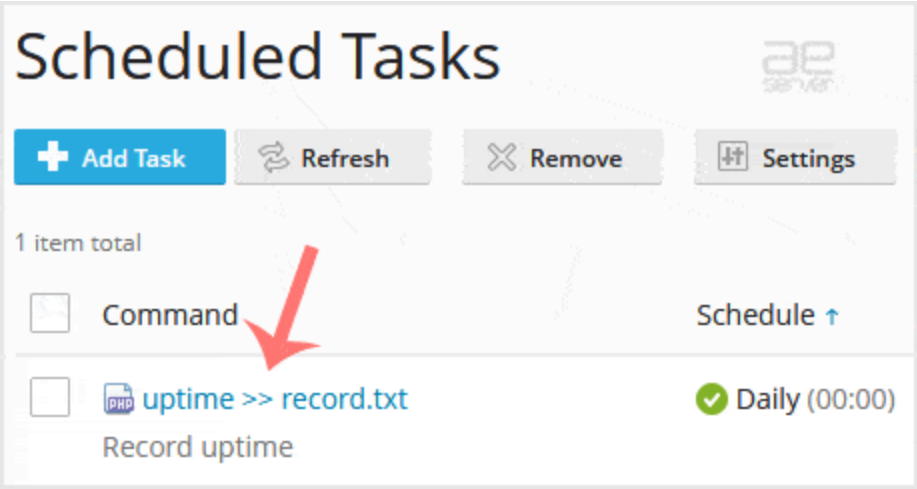
2. Click on **Websites & Domains** from the Sidebar Menu.



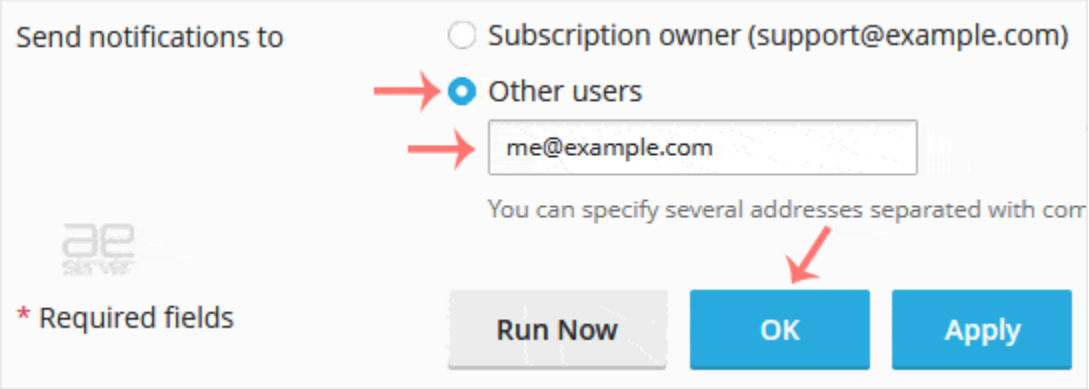
3. Click on the **Pull icon** in the right sidebar and choose **Scheduled Tasks**.



4. Under the **Command** list, locate your task and click on it.



5. Scroll down to the Send notifications, choose **other users**, and update the email address.



6. Click **OK**.

Note: If the **Send notifications to** option is not available, choose **Every time** or **Errors only** under **Notify** to enable it.
